Enterprise Project Management Services

Microsoft Corporation has developed the EPMU (Enterprise Project Management University) approach to help organisations adopt Microsoft Office Project Professional & Server versions 2003 or 2007 in a systematic and disciplined fashion, dramatically improving the likelihood of a successful implementation.

Projectability can provide guidance and assistance in these key areas:

-

Initial consultation and business case validation

-

Envisioining the solution

-

Installation and Configuration

-

Training

-

Trialling

-

Full roll out of the EPM solution

-

On-going Mentoring

We can help you consider your options and how to realise significant business benefits from the adoption of this powerful tool.
